About the Speaker of the event:

The Speaker, Mr. Subramanian Swamy, is a prominent Indian politician, economist, writer, and law professor. He is known for his strong views and has been a member of various political parties throughout his career. Mr. Swamy has served as a cabinet minister in several Indian governments and has been a vocal supporter of economic liberalization.

The event is organized by the Indian Council of World Affairs, a prominent think tank in India. The institution hosts a wide range of events, including lectures, seminars, and workshops, aimed at promoting understanding and dialogue on various global issues.

The event is likely to cover topics related to economics, politics, and international relations, given Mr. Swamy's background and expertise. Attendees can expect an in-depth discussion on these subjects, with a focus on their implications for India and the broader global context.
